SAFEEN SUBSEA

PART OF
AD PORTS GROUP

SAFEEN GREEN

Remote Survey Vessel

SAFE
No personnel required offshore

EFFICIENT
Full 24/7 over-the-horizon operations

FLEXIBLE
Swappable payload capacity

FAST
Fast mobilisation standard shipping containers

COMPETITIVE
Market's lowest OPEX for the mission delivered

CLEAN
10% emissions of a conventional vessel

AD PORTS GROUP

Vessel Name	Safeen Green
Previous Name:	MARIPP201
IMO:	NA
MMSI:	470099000
Flag of Registry:	United Arab Emirates
Port of Registry:	Abu Dhabi
Official Number:	0009879
Type of Vessel:	MASS-RCU (Maritime Autonomous Surface Ship – Remotely Controlled Unmanned Ship)
Type of Hull:	HDPE / Aluminum
Hull Material:	15 mm HDPE and aluminum
Built / Shipyard:	2022 / RC Dock Engineering BV, Velsen, The Netherlands
Classification, RINA:	102009
Built in Compliance With:	RINA RES 22, RINA RES 27 and GUI35 (MASS)
LOA / Breadth / Draft:	11.55 m / 6.4 m / 2.26 m
Air Draft (max):	9 m
Freeboard:	1.68 m
Lightship:	19.5 ton
Max Displacement:	30 ton
Payload Allowance:	10.5 tons (fuel + cockpit + survey equipment)
Moonpool:	Two moonpools 2.28 m × 0.94 m, payloads 300 kg eac)
Gross Tonnage:	23
Net Tonnage:	6
Max Speed:	6.2 knots with RPM 2200
Anchor Length / Chain:	Chain 15 m, rope 55 m, total 70 m
Main Engines:	2 × John Deere, 4045TFM M2, 120 hp (90 kW), keel cooling, dry exhaust
Total Main Engine Power:	180 kW
Diesel Generator:	Mitsubishi S4S-Z365SP engine + Alternator SOL2-P1 Winding 311 / 711, consumption approx.10 l/h
Propulsion:	2 * Alamarin AJ 340 water jets
Thrusters:	2 * 8 kW Vetus Rimdrive 160
Total Average Survey Consumption:	Main engine × 2 on 2200 rpm approx. 20 l/h
Fuel Oil Capacity:	2 * 3200 l, total 6400
